

## Nonpublic Textbook Loan Consent

Students enrolled at All Saints Catholic Academy, and reside in any school district, with the exception of Troy City School District, are loaned their textbooks through the local BOCES. This loan is an agreement between the parent/guardian and the school district of residence. New for 2024-2025, All Saints Catholic Academy and BOCES can process the loan of these textbooks on your behalf.

If it is your desire to authorize All Saints Catholic Academy to process your child's textbook loans during their enrollment at All Saints Catholic Academy, no action is needed.

If you do not authorize All Saints Catholic Academy to process the loan of your child's textbooks during their enrollment at All Saints Catholic Academy, please request, in writing, that you want to physically complete and sign the annual *Textbook Loan Form* each year throughout your child's enrollment at All Saints Catholic Academy. This request denying All Saints Catholic Academy from processing the loan of your child's textbooks is due to school administration annually by May 1st.

For your reference the NYS Textbook Loan Regulation is stated below.

*Section 701 of Education Law requires all school boards to purchase and to loan textbooks on an equitable basis to all pupils residing in the school district who are attending kindergarten through grade twelve in any public or nonpublic school. Parents are responsible for requesting the loan of textbooks their children need from the district in which they live. Each board of education is responsible for purchasing and loaning only textbooks that are nonsectarian*
