

# MEET THE TEACHER!

Hi Everyone! My name is Jennifer Forth. I am thrilled to be a Kindergarten teacher at All Saints Catholic Academy. I love spending time with children as they learn, grow, question, explore and discover about the world around them.

I have an Elementary Education degree from SUNY Oneonta. I continued my passion for teaching by receiving a Master Degree in Early Childhood Education from The College of St. Rose. I have been teaching for over twenty years. I love teaching kindergarten, but have also taught pre-school and first grade.

I have a wonderful family with three teenage children. I enjoy traveling, camping, reading and spending time in Cape May, New Jersey.

I look forward to many more years of teaching the brilliant students at ASCA!
