

**5-8 Science
Grading Policy
Mrs. Nowosielski**
Contact Information: lnowosielski@ascaalbany.org

Science Grading Policy:

- Tests/Projects 40%
- Quizzes 20%
- Classwork/Labs 30%
- Participation 10% (Middle School Rubric)
 - Interactive Science Notebook: Count as 1 test grade each quarter
 - Science Journal: Count as 1 test grade each quarter
 - Homework-checked for completion
 - IXL quarterly assigned topics will be counted towards student project grades.

Other Class Expectations:

Students will:

- ❖ show respect to others at all times.
- ❖ come to class prepared and ready to participate in class discussions.
- ❖ actively participate in daily lessons and class activities to the best of their abilities.
- ❖ use their student planners daily.
- ❖ All quizzes and tests are to be signed by a guardian and returned (old tests and quizzes will be used as part of their study guides for midterms and final exams.

Absent Procedures:

If students are absent, they are to check with their teachers and their Google Classroom accounts for each subject. All assignments will be posted in Google Classroom and it is the student's responsibility to complete the missing work. Students are always encouraged to email their teachers if they are struggling or do not understand an assignment they missed while out.
