

UN POCO SOBRE PROFE

Hola! Salut! Ciao! Guten Tag! שלום

I am the 8th grade Spanish teacher here at All Saints Catholic Academy. I am not just a language educator though; I am a language learner for life. As you can see from the title, I love foreign languages. I have been a translator and interpreter for many years, and have studied pharmacy and pharmaceutical sciences, which I see as just another language, too.

I am also the founder and head wrestling coach for the LPT Wrestling club here at the school. LPT stands for "Lucha Para Todos," which means "wrestling for everyone." I have been competing for many years, am an eastern national champion and continue to compete, on and off, to this day.

Welcome everyone. I hope to be able to share my passion for languages as well as wrestling with your students this coming school year!

MY FAVORITE THINGS:

- Los idiomas extranjeros (Foreign Languages) (por supuesto)
- Les maths et les sciences (Math and Science)
- Das Ringen (Wrestling)
- Passare tempo con mio nipote (Spending time with my nephew)
- Ser activo (Being active)
- Les énigmes (Puzzles)
