Countdown to Summer!

As the school year draws to a close, we're gearing up for a unique celebration - an alphabet-style countdown starting on May 16th, leading up to the final day of school. Check out the calendar below to discover the exciting activities planned for each letter of the alphabet. This fun initiative promises to make the remaining weeks of school memorable. Please note that certain activities may be weather-dependent, and occasionally, students may need to bring something from home. For further details, teachers at each grade level will provide additional information as necessary.

Monday	Tuesday	Wednesday	Thursday	Friday
