

I have been teaching for over 20 years. After earning my degree in Early Childhood Education from Hudson Valley Community College, I gained a position at the Pumpkin Patch Childcare Center. During my time there I had the privilege of team teaching with my Mom. I learned so much from working with her!

I furthered my education at The College of Saint Rose earning degrees in Elementary Education and Educational Psychology. Over the years I have taught Pre-K, kindergarten, first, and third grades. I love to read so I started an after-school book club for students who share my passion.

On Christmas day 2012 my husband and I got the best present ever. Our daughter Evelyn was born. Evie is a student at All Saints. She loves visiting my classroom and meeting my students. It is such a blessing to have her at school with me!
