Dear Families;

I want to address in today's update some planning information that families would like more information about.

- ASCA is under the Executive Order from the state and can only reopen when given permission from the governor. Currently, we are set to reopen on 4/2.
- Lunch meals for March (and potentially April if you sent in your order) will be refunded in May (similar to the annual snow day credits that are issued with the May order form.)
- In the event we are ordered to remain closed longer than 4/1, teachers will be back in the building prepping more academic work for all students. A 2nd pick-up day will be announced. There will be no person to person contact, as the bags will be left in the gathering space for pick-up in a certain window of time. More details will be released if that becomes the case.
- The Beacon of Hope Scholarship deadline remains 4/15 (Our website says 4/1 to ensure I receive it in time to deliver to the Catholic School Office. Realistically if you have it to me by 4/13, I will have it turned in on time). With tax day pushed into July, FACTS' required documents can be a W2 for both parents and your 2018 taxes if you have not filed 2019 yet. Remember that tuition assistance guidelines are posted on the school website - as there was an update to the guidelines for the 2020-2021 academic year.
- I know that this is a difficult time, but by the teacher feedback and emails I have received - ASCA is rocking Distance Learning! Keep up the hard work parents and students - we are proud of you!
- Middle School Families - is your child in their Google Classrooms? Students need to check in daily with ALL their teachers. The teachers assigned them plenty of work to keep an academic day to roughly 3 to 4 hours. We need parent help to make sure that is happening.

I continue to pray for all our school families - stay well, stay safe.

Blessings,  
Ms. Johnson

We are #ASCA Strong - Distance does not separate us!
