Dear Families:

Teachers and staff worked throughout the weekend and all day today prepping for Phase II of Distance Learning at ASCA.

- Thank you for picking up your child(ren)'s 2nd Distance Learning Bag for Phase II of Distance Learning.
- As you work through the lessons the teachers prepared, you can also checkout www.ascaalbany.org for additional Distance Learning resources, great websites, and the daily email update. I continue to strive to keep all families connected to the latest information from the Diocese and NYS Department of Education, as we meet the directives to maintain a continuum of learning.
- School office hours will continue daily from 8:30-2:30. If no one answers the phone at school, please email office@ascaalbany.org for business questions, or Ms. Johnson at principal@ascaalbany.org regarding academics and closure related questions.
- The support from families continues to be amazing. We are a strong community supporting each other! **#ASCA Strong – Distance will not separate us.**
- The 2020-2021 school year will be the next focus. You will be receiving a registration link in your inbox in the coming days. The link will allow you to finalize your enrollment information for 2020-2021.
- FACTS Grant and Aid applications are required to be completed for the awarding of tuition assistance. The link is available at www.ascaalbany.org. The deadline to be considered for additional tuition assistance (Diocesan) is April 15th.
- The Easter recess will be here before we know it. April 9th - April 13th are Holy Days. Teachers will not be having classes after 11am on April 9th. April 14th -17th will be considered family activity days, enrichment, and / or Distance Learning make-up days. Our return to school date is currently scheduled for 4/20/2020 by the Diocesan Superintendent of Schools, Mr. Giovanni Virgiglio.
- I thank you for all the support, kind words and dedication to ASCA. I am humbled every time I read your kind words and hearing about the strength your children have during these uncertain times. We are here to help!

I continue to pray for all our school families - stay well, stay safe.

Ms. Johnson
