Dear Families,

As we journey through Holy Week, remember to take some time to reflect on all that is good in your life. Children, now more than ever, need to hear and reflect on the good in their lives. Not being able to attend church services and Easter Mass is unsettling. Here are the links to bring services into the safety of your home.

Holy Thursday Mass of the Lord's Supper 5:30pm [www.rcda.org](http://www.rcda.org)

***A few academic reminders and announcements:***

Please use the week of Easter as time to relax and enjoy the downtime. There are many resources on our website and Distance Learning tab that students can do as enrichment activities. Many families have requested resources for optional enrichment. As well as, our special area teachers have posted in their Google Classrooms many great enriching activities and projects. There will be no new assignments the week of 4/13. *(Grade 5-8 students need to use the week to make-up any missing distance learning assignments from Q3.)*

NYS Board of Regents has cancelled the June 2020 Exams. Grade 8 students taking Algebra I will receive Regent course credit by satisfying the course with a passing average grade of 70% or better in course work.

Q3 Report Cards (aka – Progress Reports) will be sent as a PDF using the SwiftReach School- to-Home Messaging platform the week of 4/20/2020.

Q4 begins on 4/20/2020 (Attendance and assignment completion will be a large part of the Distance Learning accountability requirements.) Teachers will remain flexible with Nursery - Grade 4 students; working around parent/student availability. Grade 5-8 students will continue to be held to daily accountability expectations; reflective of obtaining course credit through completed assignments (submitted on time), earned grades, and attendance for all subject areas.

I continue to pray for all our school families - stay well, stay safe.
